

HALEN MÔN SEA SALT WITH GOLDEN ROASTED GARLIC

HALEN MÔN SEA SALT

Wales, UK

SENSORY PROFILE

Take Halen Môn's Pure Sea Salt, blend in golden roasted garlic and voila! This salt is delicious on chicken, in buttery mashed potato or sprinkled over French fries.

TRADITION

The Halen Môn story began with a bubbling pan of seawater on an aga in a family kitchen in North Wales, UK. The company has long since moved production out of the kitchen but salt is still harvested by hand from the sparkling seas around the Isle of Anglesey.

The Seawater Farm: this unique environment passes through two natural filters (a mussel bed and a sandbank) and then is charcoal filtered to obtain the purest product. The resulting salt is crunchy and crisp with a clean ocean taste.

It is ideal as a cooking ingredient and as the perfect finishing touch at the table.
